8 February 1959

Gentlemen:

Reference is made to our Contract No. 25X1A covering research studies and investigations.

Please furnish this office at your earliest convenience, the approved final overhead rates for each overhead period within the term of the contract (1 September 1956 to 31 December 1958) in order that the contract may be amended pursuant to Clause 38, NEGOTIATED OVERHEAD RATES, to set forth the final overhead rates.

In the event a final overhead rate has not been negotiated with the cognizant IOD activity for the last period within the term of the contract, are you willing to negotiate a final rate for this period with this office in order that the contract may be closed without delay? If so, please advise what this rate is.

Very truly yours,

25X1A

Contracting Officer.
